REPORT ON THE REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION TO THE SHAREHOLDERS OF PHNOM PENH WATER SUPPLY AUTHORITY

(Incorporated in Cambodia)

(Registration No: Co.0839 Et/2012)

Introduction

We have reviewed the accompanying condensed statement of financial position of Phnom Penh Water Supply Authority ("PPWSA") as at 30 September 2025, and the related condensed statements of profit or loss and other comprehensive income, changes in equity and cash flows for the quarter and nine-month period then ended, and condensed notes to the interim financial information (collectively known as "Condensed Interim Financial Information"). The Directors of the PPWSA are responsible for the preparation of and presentation of the Condensed Interim Financial Information. Our responsibility is to express a conclusion on this Condensed Interim Financial Information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Cambodian International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Condensed Interim Financial Information of the PPWSA is not presented fairly, in all material respects, in accordance with Cambodian International Accounting Standard 34 Interim Financial Reporting.

NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION 30 SEPTEMBER 2025

1. CORPORATE INFORMATION

The Phnom Penh Water Supply Authority ("PPWSA") is under the technical supervision of the Ministry of Industry, Science, Technology and Innovation ("MISTI") and the financial supervision of the Ministry of the Economy and Finance ("MoEF"), and has its headquarter in Phnom Penh. The PPWSA is acknowledged as having the economic characteristics of a public enterprise by the Ministry of Commerce under the registration number Co.0839 Et/2012, dated 27 March 2012.

The registered office of the PPWSA is Office 45, Street 106, Sangkat Srah Chork, Khan Daun Penh, Phnom Penh, the Kingdom of Cambodia.

This condensed interim financial information are presented in Khmer Riel ("KHR"), which is also the functional currency of the PPWSA.

The condensed interim financial information was authorised for issue by the Board of Directors on 12 December 2025.

2. PRINCIPAL ACTIVITIES

The principal activities of the PPWSA are to process and distribute water for general use by the public in the city of Phnom Penh and surrounding areas, including Takmao, Thong Khmom and Mlech and the provision of other related services. The objectives of the PPWSA are to:

- Invest in, build, enlarge, operate, repair and maintain the means of water sanitation and distribution;
- Manage devices to increase water productions, and improve services and water quality to meet demand;
- Operate the business, services and related duties for water supply in accordance with the Board of Director's resolutions and the laws of Cambodia;
- Cooperate with local and external development partners on technology, trade and finance in order to improve and develop the PPWSA in accordance with government policy; and
- Ensure sustainable production processes, business and finance for the public interest.

3. BASIS OF PREPARATION

The interim financial report is unaudited and has been prepared in accordance with Cambodian International Accounting Standard 34 *Interim Financial Reporting*. The interim financial report should be read in conjunction with the audited financial statements for the financial year ended 31 December 2024 and the accompanying explanatory notes attached herein.

The explanatory notes provide an explanation of events and transactions that are significant to an understanding of the changes in the financial position and performance of the PPWSA since the financial year ended 31 December 2024.

3. BASIS OF PREPARATION (continued)

The accounting policies and methods of computation adopted are consistent with those adopted in the audited financial statements for the financial year ended 31 December 2024 except for the adoption of the following amendments:

Effective Date

Amendments to CIAS 21 Lack of Exchangeability

1 January 2025

Amendments to CIAS 21 Lack of Exchangeability

CIAS 21 Lack of Exchangeability has been amended to:

- Specify when a currency is exchangeable into another currency and when it is not a currency is exchangeable when an entity is able to exchange that currency for the other currency through markets or exchange mechanisms that create enforceable rights and obligations without undue delay at the measurement date and for a specified purpose; a currency is not exchangeable into the other currency if an entity can only obtain an insignificant amount of the other currency.
- Specify how an entity determines the exchange rate to apply when a currency is not
 exchangeable when a currency is not exchangeable at the measurement date, an entity
 estimates the spot exchange rate as the rate that would have applied to an orderly transaction
 between market participants at the measurement date and that would faithfully reflect the
 economic conditions prevailing.
- Require the disclosure of additional information when a currency is not exchangeable when
 a currency is not exchangeable an entity discloses information that would enable users of its
 financial statements to evaluate how a currency's lack of exchangeability affects, or is
 expected to affect, its financial performance, financial position and cash flows.

These amendments had no effect on the interim condensed financial statements of the PPWSA.

The following are amendments and accounting standards that have been issued but have not been early adopted by the PPWSA:

	Effective Date
Amendments to CIFRS 7 and CIFRS 9 Classification and Measurement of Financial Instruments	1 January 2026
Annual Improvements to CIFRS Accounting Standards - Volume 11	1 January 2026
Amendments to CIFRS 9 and CIFRS 7 Contracts Referencing Nature- dependent Electricity	1 January 2026
CIFRS 18 Presentation and Disclosures in Financial Statements	1 January 2027
CIFRS 19 Subsidiaries without Public Accountability: Disclosures	1 January 2027
Amendments to CIFRS 19 Subsidiaries without Public Accountability:	1 January 2027
Disclosures	
Amendments to CIAS 21 The Effects of Changes in Foreign Exchange Rates	1 January 2027
Amendments to CIFRS 10 and CIAS 28 Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Deferred

The PPWSA is in the process of making an assessment of the potential impact from the adoption of these accounting standards and amendments hence the Directors are not yet in a position to conclude on the potential impact on the results and the financial position of the PPWSA.

3. BASIS OF PREPARATION (continued)

The possible effects from the adoption of the above amendments and accounting standards are as follows:

Amendments to CIFRS 7 and CIFRS 9 Classification and Measurement of Financial Instruments

These amendments clarify:

- The requirements related to the date of recognition and derecognition of financial assets and financial liabilities, with an exception for derecognition of financial liabilities settled via an electronic transfer;
- The requirements for assessing contractual cash flow characteristics of financial assets, with additional guidance on assessment of contingent features; and
- Characteristics of non-recourse loans and contractually linked instruments.

These amendments also introduce additional disclosure requirements for equity instruments classified as FVOCI and for financial instruments with contingent features.

Annual Improvements to CIFRS Accounting Standards - Volume 11

The annual improvements address the following:

- Hedge accounting by a first-time adopter (Amendments to CIFRS 1 First-time Adoption of International Financial Reporting Standards);
- Disclosure of deferred difference between fair value and transaction price (Amendments to Guidance on implementing CIFRS 7);
- Gain or loss on derecognition (Amendments to CIFRS 7);
- Introduction and credit risk disclosures (Amendments to Guidance on implementing CIFRS 7);
- Derecognition of lease liabilities (Amendments to CIFRS 9);
- Transaction price (Amendments to CIFRS 9);
- Determination of a "De Facto Agent" (Amendments to CIFRS 10); and
- Cost method (Amendments to CIAS 7).

Amendments to CIFRS 9 and CIFRS 7 Contracts Referencing Nature-dependent Electricity

These amendments include:

- Clarifying the application of the "own-use" requirements;
- · Permitting hedge accounting if these contracts are used as hedging instruments; and
- Adding new disclosure requirements to enable investors to understand the effect of these contracts on a company's financial performance and cash flows.

CIFRS 18 will replace CIAS 1 Presentation of Financial Statements as the primary source of requirements in IFRS Accounting Standards for financial statement presentation.

The following is a summary of the most significant changes introduced by CIFRS 18:

- Required categories and sub-totals in the statement of profit or loss: items of income and
 expense will be classified into operating, financing, investing, income tax or discontinued
 operations categories. This classification will depend on a combination of an assessment of
 the entity's main business activities and certain accounting policy choices;
- Required sub-totals in the statement of profit or loss: based on an entity's application of the classification requirements as described in above, certain sub-totals will be required to be presented in financial statements, such as operating profit. The operating profit sub-total is now defined in CIFRS 18;
- Labelling, aggregation and disaggregation: expanded requirements for labelling, aggregation and disaggregation of information in financial statements;

3. BASIS OF PREPARATION (continued)

The possible effects from the adoption of the above amendments and accounting standards are as follows: (continued)

CIFRS 18 Presentation and Disclosures in Financial Statements (continued)

The following is a summary of the most significant changes introduced by CIFRS 18: (continued)

- Narrow scope changes to the statement of cash flows: revised requirements for how the statement of cash flow will be presented, including the classification of interest and dividend cash flows; and
- Management-defined performance measures: the requirement for certain entities to include "management-defined performance measures" (i.e. alternative performance measures, "non-GAAP measures", etc.) in their financial statement notes, with reconciliations to the nearest CIFRS-compliant sub-total. For example, "adjusted profit or loss" reconciled to profit or loss.

CIFRS 19 Subsidiaries without Public Accountability: Disclosures

CIFRS 19 allows eligible subsidiaries to apply CIFRS Accounting Standards with reduced disclosures.

A subsidiary may elect to apply CIFRS 19 in its consolidated, separate or individual financial statements provided that, at the reporting date:

- It does not have public accountability; and
- Its parents produces consolidated financial statements that are available for public use under CIFRS Accounting Standards.

A subsidiary applying CIFRS 19 is required to clearly state in its explicit and unreserved statement of compliance with CIFRS Accounting Standards that CIFRS 19 has been adopted.

Amendments to CIFRS 19 Subsidiaries without Public Accountability: Disclosures

The newly issued amendments to CIFRS 19 help eligible subsidiaries by reducing disclosure requirements for standards and amendments issued between February 2021 and May 2024, specifically:

- CIFRS 18 Presentation and Disclosure in Financial Statements;
- Amendments to CIAS 7 and CIFRS 7 Supplier Finance Arrangements;
- Amendments to CIAS 12 International Tax Reform Pillar Two Model Rules;
- Amendments to CIAS 21 Lack of Exchangeability; and
- Amendments to CIFRS 7 and CIFRS 9 Amendments to the Classification and Measurement of *Financial Instruments*.

Amendments to CIAS 21 The Effects of Changes in Foreign Exchange Rates

These amendments aim to improve the usefulness of the resulting information in a cost-effective manner. Developed in response to stakeholder feedback, these amendments are expected to reduce diversity in practice and provide a clearer basis for reporting in a hyperinflationary currency.

Amendments to CIFRS 10 and CIAS 28 Sale or Contribution of Assets between an Investor and its Associate or Joint Venture

These amendments clarify the extent of gains or losses to be recognised when an entity sells or contributes assets to its associate or joint venture. When the transaction involves a business the gain or loss is recognised in full, conversely when the transaction involves assets that do not constitute a business the gain or loss is recognised only to the extent of the unrelated investors' interests in the joint venture or associate.

- (a) Interest income represents interest earned from savings and deposit accounts held at local banks during the period.
- (b) Interest expense represents the interest charges on the loan obtained from AfD and the subsidiary loans obtained from the MoEF, which are funded through loans obtained from the ADB, EIB and JICA.

15. TAX EXPENSE

Under the Cambodian Law on Taxation, the PPWSA has an obligation to pay tax on profit at 20% (2024: 20%) of the taxable profit or a minimum tax at 1% (2024: 1%) of total revenue, whichever is higher. It represents the minimum amount of tax that the PPWSA will pay to tax authorities. The PPWSA has a tax on profit liability that exceeds the minimum tax liability, thus, no minimum tax will be payable. Tax is payable even if the PPWSA is in a tax loss position.

16. EARNINGS PER SHARE

(a) Basic earnings per share

Basic earnings per share are calculated by dividing the profit attributable to equity holders of the PPWSA by the weighted average number of ordinary shares in issue during the period.

	Unaudited Three-month period ended		Unaudited Nine-month period ended	
	30.9.2025 KHR'000	30.9.2024 KHR'000	30.9.2025 KHR'000	30.9.2024 KHR'000

Basic earnings per share (KHR)	233.94	247.79	710.22	874.63

(b) Diluted earnings per share

Diluted earnings per share are calculated by adjusting the weighted average number of ordinary shares outstanding to assume conversion of all dilutive potential ordinary shares.

The PPWSA had no dilutive potential ordinary shares as at the period end. As such, the diluted earnings per share were equivalent to the basic earnings per share.

18. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The financial risk management objective of the PPWSA is to optimise value creation for its shareholders whilst minimising the potential adverse impact arising from volatility of the financial markets.

The Directors are responsible for setting the objectives and underlying principles of financial risk management for the PPWSA. The management then establishes the detailed policies such as authority levels, oversight responsibilities, risk identification and measurement and exposure limits in accordance with the objectives and underlying principles approved by the Directors.

(a) Credit risk

Credit risk is the risk of financial loss to the PPWSA if a counter party to a financial instrument fails to perform as contracted. The PPWSA is mainly exposed to credit risk from credit sales. It is the PPWSA policy to monitor the financial standing of these counter parties on an ongoing basis to ensure that the PPWSA is exposed to minimal credit risk.

The PPWSA primary exposure to credit risk arises through its trade receivables from its customers. The credit period is one months and the PPWSA seeks to maintain strict control over its outstanding receivables to minimise credit risk. Overdue balances are reviewed regularly by management.

(b) Liquidity and cash flow risk

Liquidity and cash flow risk arises from the PPWSA's management of working capital. It is the risk that the PPWSA will encounter difficulty in meeting its financial obligations when due.

The PPWSA actively manages its operating cash flows and the availability of funding so as to ensure that all operating, investing and financing needs are met. In liquidity risk management strategy, the PPWSA maintains a level of cash and cash equivalents deemed adequate to finance the PPWSA's activities.

(c) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the financial instruments of the PPWSA would fluctuate because of changes in market interest rates.

The exposure of the PPWSA to interest rate risk arises primarily from borrowings. The PPWSA manages its interest rate exposure by closely monitoring the debt market and where necessary, maintaining a prudent mix of fixed and floating rate borrowings. The PPWSA does not use derivative financial instruments to hedge any debt obligations.

19. CAPITAL COMMITMENTS

At the end of the current financial quarter, the PPWSA has commitment on capital expenditure in respect of:

	Unaudited 30.9.2025 KHR'000	Audited 31.12.2024 KHR'000
Construction of water treatment plant Consultation services Purchase of iron pipes, fitting and accessories	364,082,120 3,351,171 16,179,975	283,057,881 2,669,794 1,054,176
	383,613,266	286,781,851

20. TAXATION CONTINGENCIES

The taxation system in Cambodia is relatively new and is characterised by numerous taxes and frequently changing legislation, which is often unclear, contradictory, and subject to interpretation. Often, differing interpretations exist among numerous taxation authorities and jurisdictions. Taxes are subject to review and investigation by a number of authorities, who are enabled by law to impose severe fines, penalties and interest charges. These facts may create tax risks in Cambodia substantially more significant than in other countries. Management believes that it has adequately provided for tax liabilities based on its interpretation of tax legislation. However, the relevant authorities may have differing interpretations and the effects could be significant.

21. SIGNIFICANT EVENT DURING THE FINANCIAL PERIOD

- (a) On 29 May 2025, the Board of Directors approved the transfer of retained earnings to reserves amounting to KHR80,476,821,750.
- (b) On 29 May 2025, the Board of Directors of PPWSA proposed and the shareholders subsequently approved, a dividend of KHR350 per share in respect of the financial year ended 31 December 2024. The total dividend declared amounting to KHR4,566,091,250. This approval was made following the conclusion of the reporting period and reflects PPWSA's financial performance and commitment to shareholder returns.
- (c) On 30 June 2025, the MoEF increased its capital contribution to PPWSA through the transfer of two plots of land. These plots are intended for the construction of the Mlech Water Treatment Plant in Kampot Province and the Boeng Thom Water Treatment Plant in Phnom Penh. The total value of the land granted amounting to KHR15,842,877,000. This capital increase was made without the issuance of additional shares in PPWSA.
- (d) On 5 July 2025, the MoEF issued an approval letter in response to the Board of Directors' request for the determination of the land price to be recognised as capital contribution to PPWSA.
